CREDIT EVALUATION GUIDE OF ACE CREDIT RECOMMENDATIONS FOR: COURSERA

Ashford University recognizes the uniqueness of each student’s experience and realizes that learning takes place in a variety of environments. The American Council on Education (ACE) provides a means for recommending credit for corporate training and experience acquired outside of a traditional university classroom setting.

Students may pursue their academic and professional goals through a variety of degree programs at Ashford University.

TRANSFER PROVISIONS

Students must complete 120 credits to obtain a Bachelor’s degree. A maximum of 90 combined nontraditional learning, prior learning, and transfer credits may be accepted and applied toward the 120 credit requirement. Within the 90 credit maximum, a maximum of 75 credits of nontraditional credit, including a maximum of 30 credits of prior learning, may be applied toward a bachelor’s degree. Official transfer credit evaluation takes place once a student is enrolled at Ashford University, and all official transcripts have been received. Washington and Oregon residents may apply a maximum of 30 credits toward a bachelor's degree from any combination of prior learning assessment or other nontraditional learning, including national testing programs, or credit recommendation services.
